SUMMARY OF QUALIFICATIONS

As a postgraduate, I, have a solid understanding of backend development, UI/UX design, and front-end development. I am also at an intermediate level in mobile app development. I am highly motivated and consistently demonstrate strong communication skills with my coworkers. Additionally, I excel at time management, enabling me to complete work efficiently. Through my experience working as a freelancer, I have developed a diverse skill set in full-stack development and ReactJS, which has equipped me with the ability to effectively communicate with clients and apply skills related to my academic studies.

School/University	Field of study	Year/G.C
